REPORT OF GILFORD PUBLIC LIBRARY

To the Citizens of Gilford:

The undersigned trustees of the Gilford Public Library respectfully submit the following reports for the year ending February 1, 1939.

This year Teresa M. Weeks served as chairman, Bertrand F. Ames, Treasurer, and Helen D. Watson, Secretary.

We are glad to report that this last year we have had the library painted on the outside which greatly improves the appearance of the building. Also the cupboards were built in the basement and now we have a place in which to store old books, magazines and records.

This year it will be necessary to re-shingle or to have the roof patched as it leaks in several places and will ruin the walls inside.

It is pleasing to note that during the past year over a thousand more books were loaned than during the previous year, and that the town purchased 142 more new books than in 1937.

We were very fortunate in having so many books and magazines donated this year and wish to thank all who contributed.

You will notice a balance of \$48.97 in the treasurer's report but this will be used to pay several outstanding bills.

An excellent program was presented by the children from all the schools on the evening of Friday,

June 17, 1938. Credit is due both to the teachers and to the children.

Certificates of graduation were presented to those who had completed the work of the eighth grade and who were recommended for admission to high school.

CLASS ROLL

Arlene Edna Andrews, Arlene Mae Bickford, Helen Rose Baker, Arlene Ruth Haskell, Evelyn Agnes Rand.

In September Arlene Andrews, Helen Baker and Evelyn Rand entered the Laconia High School.

REPORT OF SCHOOL NURSE

To the Townspeople, School Board, and Superintendent of Schools:

The pupils in the Gilford schools have been in very good health this year with the exception of many colds. It is hoped that some of the contagion of the many colds will be eliminated with the improvement in the heating and ventilating of the new building, as well as better sanitation in the drinking facilities and hand washing.

There have been several tonsil operations, both in clinics and by private means this year. However, there are 15 pupils suffering from bad tonsils still in school. It is planned to have another clinic or series of clinics for tonsils again this spring. Five children are still handicapped by defective vision and have had no tests to ascertain what can be done for them.

The greatest need in Gilford is for a school dental clinic. Ninety-six per cent of the pupils in the schools have had no dental work done. Abscessed aching teeth in diseased gums are very prevalent and the new teeth are decaying after a year or two as a result. This condition is seriously affecting the health of several children. It was hoped that some money could be

raised to sponsor the dental clinic work in the schools this year, but so much has been undertaken in other lines that this project was deferred. It may be possible to plan the sponsorship of this work for the children who are less able to pay for the work at clinic rates later.

Following will be found a statistical report of the work done in the school health program last year:

Visits to schools	16
Visits to homes	65
<hr/>	
Total visits	81
Days spent	9.4
Days due	9
Pupils examined	81
Defects found	92
1.1 per pupil	
Defects corrected	27
29% of defects	
Without defect	31
38% of pupils	

I wish at this time to thank parents, teachers and the Gilford Parent-Teachers' Association for their interest in the school health work.

Respectfully submitted,

RUTH S. LANGILLE, R. N.,

School Nurse.

TEACHERS

Miss Ethel Croteau resigned in June as teacher of the Village school. This vacancy was filled by the appointment of Mrs. Dorothy Davis.

The following table shows the teacher assignment, salaries and present enrollment in each school:

Teacher	School	Salary	Enrollment
Dorothy Davis	Village	\$850.00	29
Eunice L. Hunt	Lily Pond	850.00	22
Ethel Fish	Intervale	850.00	28

Our total enrollment at the present time is 79, the same as one year ago.

Eighty-two Gilford children are enrolled in the Laconia Public Schools and distributed as follows: thirty-two in grades one to six, eighteen in the junior high, and thirty-two in the senior high.

NEW BUILDING

At the annual school meeting held March 12, 1938, it was voted "to construct a central building at Gilford Village for the accommodation of all the schools of the district, and provide all necessary equipment."

A Building Committee was chosen consisting of Philip E. Vincent, Louis R. Collins, William Vose, and the three members of the school board. This Building Committee was authorized "to execute any and all contracts or agreements necessary, proper or advisable in connection with the construction of the proposed school building, and the purchase of the necessary equipment for the same."

It was further voted to raise and appropriate a sum not to exceed \$20,000.00, and the School Board was authorized to issue bonds for said amount "for the purpose of financing the cost of said building, the purchase of necessary equipment, and all other expenses necessary or incidental thereto."

The Building Committee selected Huddleston & Hersey of Durham, New Hampshire, as architects for the new building.

The School Board issued and sold to the Shawmut National Bank of Boston, 3% district bonds to the

amount of \$20,000.00. These bonds mature \$1,000.00 each year.

Some dissatisfaction having arisen over the proposed location of the new building on the lot at the rear of the Town Hall, a special meeting of the school district was held June 25, 1938, to consider the matter. No action was taken.

The School Board was then petitioned to reconsider the location of the building. It was finally decided to locate the building on a lot of four acres, purchased from Ernest P. Sawyer, an excellent site for a school building.

Under date of June 27, 1938, the United States Government made an offer to aid in financing the construction of a school building, including necessary equipment, and the acquisition of necessary land, by making a grant to the school district of the town of Gilford, in the amount of 45% of the cost, but not to exceed, in any event, the sum of \$16,987.00. Acting under the authority granted at the annual school meeting held March 20, 1937, the School Board accepted this offer from the Federal Emergency Administration of Public Works.

The Building Committee immediately made plans for the erection of a building in accordance with P. W. A. requirements, and one which would be a credit to the community. The general contract was given to Mr. Willard M. March of Rochester, New Hampshire.

The new building is approaching completion. It is of brick and tile construction and practically fire-proof. The ground floor contains the heating plant, a play room, and an auditorium which will seat nearly two hundred. On the floor above there are four standard class rooms, an office or teachers' room, and toilets. This building will accommodate all the elementary school children of the district.

Much praise and credit should be given the Building Committee for the time and thought to which they have so generously given. The architects and contractor have given us an excellent building, and one in which the community has every reason to take pride.

FINANCES

The per pupil cost of maintaining Gilford schools for the year ending June 30, 1938, was \$76.64. The State median was \$79.38.

The cost of high school tuition for Gilford children the last fiscal year was \$2,056.00. The Laconia School Board has under consideration an increase in the yearly tuition charge. The present rate is \$76.00 per year; the proposed rate \$85.50.

The Laconia School Board has under consideration also a similar increase in the elementary school tuition charge. Last year Gilford paid Laconia \$2,425.25 for elementary school tuition. If the local school board should continue to assign to Laconia schools children from certain sections of the district, and if the Laconia School Board should decide to make the proposed increase in the rate the cost next year would probably be nearly \$3,000.00.

I wish to express my appreciation for the cooperation and assistance which I have received from many sources, including the children, during the last year.

Respectfully submitted,

CHANNING T. SANBORN,

Superintendent of Schools.
